The Beginning Of The 90's ... But Never The End

Time has come and gone so fast
How we wish we could make it last.

As we walk down the aisle,
Awaiting to receive our Diplomas.

Let us take a moment and look
Back on our recent four years at Bulkeley High School

Let us remember the friends we have made,
And hope they never fade.

As we look back with sparkling tears,
We thank our Parents, Teachers, and
friends for their support throughout the years.

Now, we walk the path of adulthood
And hope to reach our goals.
We are the Beginning of the Nineties, But Never the End.

Our futures are what we make them.
May we all succeed in life.
We have reached the end of this chapter,
But never the end of this book.

ADMINISTRATION

Anna Salamone-Consoli — Principal

The Bulkeley Family is letting go its oldest offspring, "The Class of 1990." We have watched with pride as you have moved from childhood to young adulthood to assume major roles in society. You are the students that have contributed to the beautification of Bulkeley through your talents and elbow grease. Yours is the class that took on the cause for healthy air in our building. Unselfishly, you became concerned about the generation to follow and their health. You maturely organized marches, eloquently spoke at meetings and diligently wrote letters to raise the consciousness of the public. The Class of 1990 is composed of scholars, athletes, activists, hard workers and wonderful and dear individuals. You are our future, and I look forward to the positive impact that you will have on society.

The world desperately needs you to carry on the work you have begun at Bulkeley, and anxiously awaits for your generation to remove it from its destructive path. You can do it because you are leaving us very well prepared, very much supported, and so very much loved.

HEAVEN'S GROCERY STORE

I was walking down life's highway a long time ago
One day I saw a sign that read "Heaven's Grocery Store,"
As I got a little closer the door came open wide
And when I came to myself I was standing inside.

I saw a host of angels they were standing everywhere,
One handed me a basket and said: "My child, shop with care."
Everything a Christian needed was in that Grocery Store,
And all you couldn't carry, you could come back the next day for more.

First, I got some **PATIENCE**, **LOVE** was in the same row,
Further down was **UNDERSTANDING**, you need that everywhere you go,
I got a box or two of **WISDOM**, a bag or two of **FAITH**,
I just couldn't miss the **HOLY GHOST** for He was all over the place.

I stopped to get some **STRENGTH** and **COURAGE** to help me run this race.

By then my basket was getting full, but I remembered I needed some **GRACE**.

I didn't forget **SALVATION**, for salvation that was free, so I tried to
get enough of that to save both you and me,
Then I started up to the counter to pay my grocery bill, for I thought I
had everything to do my Master's will.

As I went up the aisle, I saw **PRAYER** and I just had to put that in. For
I knew when I stepped outside, I would run into sin.

PEACE and **JOY** were plentiful, they were on the last shelf, **SONG** and
PRAISES were hanging near so I just helped myself.

Then, I said to the Angel: "Now how much do I owe?"
He just smiled and said, "Just take them everywhere you go."
Again I smiled at him and said, "How much do I really owe?"

He smiled again and said, "MY CHILD, JESUS PAID YOUR BILL A LONG TIME AGO."

GOD SAID, "GO ON"

God said, "Go on! Don't quit! Your work is not in vain. I'll always go with you To strengthen and sustain." I said,
"God, I'm convinced that I don't walk alone, but there are days when I lack courage to go on." God said, "Go on!
Don't quit! Remember, I love you; Victory is just ahead. And I will see you through." "YOU CAN MAKE IT"

MR. THOMAS LYONS AND MRS. JUDITH LYONS

May the miracle of life make us one with mankind and bring the abiding love and peace for which we are now a part, thanks to you both.

Your daily life is your temple and your religion. Whenever you enter into it, take with you "your all."

Wherever you may go, wherever you rest, may the Grace of God bestow all the blessings of love and peace that you have shared with so many of us at B.H.S.

We, the graduating Class of 1990, shall surely miss you both, but rest assured, our love and loyal devotion, we leave with you.
